

The Fruit Valley Foundation

July 1, 2011

Hello,

Every year the Fruit Valley Foundation hosts an annual fundraising golf tournament. All proceeds from the event go to support programs that empower, educate and equip in the Fruit Valley community. The Foundation's work includes supplying food and clothing to children and families, helping students make a successful transition from elementary to middle school, and support women and single mothers in our community!

This year we are excited to have Tetra Pak Materials LP as our title sponsor and would like to invite you to join them in our fundraising efforts. You can get involved in one of these easy ways:

- ❖ Sponsor a hole or skill shot!
There are multiple donation levels available starting at \$500 for a hole sponsorship. This means your name will appear at the start of one of only 18 holes during the event as well as be recognized throughout the day as an important contributor.
- ❖ Donate Goods or Services!
All Items donated are included in a raffle drawing where participants must purchase tickets. Last year almost \$1000 was raised through the raffle!!
- ❖ Come Play with US!
Part of our objective is to show more people what is happening in Fruit Valley and how they can be involved. Simply coming to play golf with us will help us to make this the best event of its kind in Clark County and continue to bring exposure to the issues families face in our community.

The all volunteer staff of the Foundation thanks you deeply for your support of this event and of Fruit Valley in general. If you have any questions or need more details on sponsorships please do not hesitate to call me directly at 360-921-5275. Our volunteers will be happy to pick donation items up at any time.

Sincerely,

Greg McGreevey
Executive Director
